To: Doddy Heka Ardana <doddyhekaardana@unr.ac.id>

Dear Putu Doddy Heka Ardana,

Your manuscript has been submitted for review by two reviewers. We are currently waiting for the second reviewer's comments.

The whole publication process may take from 4 to 6 months. However, the final date of publication is dependent on the number of manuscripts that are already waiting for publishing.

Have a nice and successful day.

Best regards,

Editorial office of the scientific journal Acta Montanistica Slovaca
